SARAH NETBURN, United States Magistrate Judge:

The Court has received and reviewed the parties' August 20, 2021 letters. Because the parties indicate that additional time to meet and confer on certain issues would be productive, the parties are directed to discuss and narrow the outstanding issues in dispute. The parties shall jointly file a status letter on September 3, 2021, identifying any remaining issues that require the Court's intervention. The Court believes that judicial efficiency is promoted by allowing the parties to complete all of their discussions before addressing any outstanding issues.

SO ORDERED.

SARAH NETBURN
United States Magistrate Judge
